

VAUXHALL TRADE CLUB FS 5W-40 Fully Synthetic Passenger Car Engine Oil

Description:

Vauxhall Trade Club FS 5W-40 is a fully synthetic, multigrade engine oil specially formulated to offer long term durability and engine protection in a wide variety of conditions. It is recommended for use in petrol and diesel engines in passenger cars and vans where its advanced additive technology provides significant benefits.

Features & Benefits:

- Excellent anti-wear protection
- Long drain intervals
- Excellent low temperature properties
- High levels of engine cleanliness

Application:

Vauxhall Trade Club FS 5W-40 is recommended for the latest petrol and diesel engines, including turbocharged and supercharged versions, in passenger cars and light commercial vehicles. It is recommended where any of the following specifications and a 5W-40 viscosity grade are required.

Health & Safety:

Please refer to the relevant health and safety data sheet. Copies are available to Trade Club members at www.tradeclub.co.uk
