SUSTAINERA – A SMARTER BUSINESS CHOICE!

STELLANTIS

Genuine parts guarantee a perfect repair, but they can be expensive. Luckily, there's a smarter way to buy genuine. SUSTAINera is our range of pre-used genuine parts that have been remanufactured, repaired, reused or recycled back to OEM standards by Stellantis, the original manufacturer responsible for brands such as Alfa Romeo, Peugeot, Vauxhall and Fiat. Along with supporting sustainability goals, the parts deliver the same quality and reliability as new, but with cost savings of up to 40%.

Available for fast, reliable delivery through 95+ Distrigo Distributors, the parts are fully warrantied and backed by Stellantis engineering. Plus, if you are a member of our trade parts rewards programme, DISTRIGO PERKS, all SUSTAINera part purchases will earn you points that can be redeemed as Distrigo Credit, Amazon vouchers, or Snap-on vouchers.

Better still, they will currently earn you DOUBLE points until Saturday 31st January 2026. Plus, you'll get £20 off your first order.
