WHY CHOOSE DISTRIGO?

More of the parts you need, when you need them. That's the Distrigo difference. We're your trusted, reliable choice for all makes, all models, all delivered nationwide. With every parts purchase rewarded by our brilliant DISTRIGO PERKS scheme. Just look at what we offer.

1,000 year cumulative heritage across 9 major OEM brands in over 130 countries. Trusted and recognised globally.

Easy online ordering system. Just click to place an order. It's a simple, speedy, and efficient process.

Quality parts for all makes, all models, all budgets. Multiple ranges at competitive prices to ensure customer satisfaction.

Countrywide distribution through 90+ UK distributors. Your nearby distributor is perfectly positioned for prompt and efficient deliveries.

730,000+ references available. Our ranges are growing all the time, providing you with an amazing range of parts.

Frequent deliveries for parts, always when you need them.

Reliable service and warranty supported by the manufacturer. Distrigo Parts Distribution offers product warranties and expert service to ensure added peace of mind.

DISTRIGO PERKS reward programme to win prizes, earn points and make savings. The more you order the more PERKS you receive.

Distrigo serves as the dedicated trade channel for Genuine Parts, covering our nine major brands and additional offerings.

WHEREVER YOU ARE, WE ARE

With an ever-growing nationwide network of 90+ distributors – including large Hubs, medium Relays and local Markets – Distrigo has you covered.

All the parts you need delivered to your door at the right time.

OIL RANGES

DISTRIGO TRADE OIL

Viewed as a 'Recommended' oil, which means it is a good quality base oil, without the dedicated approvals for numerous vehicle manufacturers but meets the relevant ACEA or API specifications and in the oil manufacturer's opinion, is suitable for many applications. This is recommended for older vehicles that are outside of warranty where price (value for money) is important.

Available as 5W30 and 0W20 grades in 5L, 20 and 199L.

For more information, visit distrigoparts.co.uk/oil

EUROREPAR ALL-MAKES ENGINE OIL RANGE

This would be seen as a 'Meets Requirements' oil and has been tested to vehicle manufacturer specifications (multiple grades, each specific). Suitable for younger vehicles that are serviced outside of manufacturer workshops.

Available as 0W20, 10W40, 15W40, 5W20, 5W30, 5W40, 75W90, 80W90, FSDCT, MDX and SSDX grades in 1L, 5L, 20L, 60L, 199L and 208L.

OEM APPROVED OIL

Known as an 'Approved' oil, it is certified by the vehicle manufacturer (multiple grades, each very specific). Used for newer vehicles that are still serviced within the manufacturer workshops and still within warranty.

Available in 0W20, 0W30, 0W40, 5W20, 5W30, 5W40, 10W50, 10W60 and 20W50 grades in 1L, 5L, 20L, 60L, 200L and 208L.

EUROREPAR BULBS

A BRIGHTER, ALL-MAKES CHOICE

- Regulation ECE R37 through E1 certification (Germany)
- Eurorepar Bulbs offer a combination of first-class quality, impressive brightness and a reliable life span

EUROREPAR BATTERIES

- Each Eurorepar Battery is manufactured to meet Original Equipment specifications and quality standards
- Whatever the age or condition of the vehicle in your workshop, we'll have the battery for it. And that battery will fit first time too, saving money and effort by servicing customers' vehicles quickly
- Batteries come with 3-year warranties
- At least 97% recyclable, our maintenance-free and competitively priced batteries deliver superior performance, safety and increased shelf and service life

CONVENTIONAL BATTERY

Eurorepar range of conventional batteries delivers reliability and exceptional value for money.

STOP & START BATTERIES

Developed to deliver high quality Stop & Start performance to meet the growing demands of the UK vehicle market.

SEARCH FOR YOUR BATTERY

It's quick and easy to find the right battery for every make and model with Distrigo.

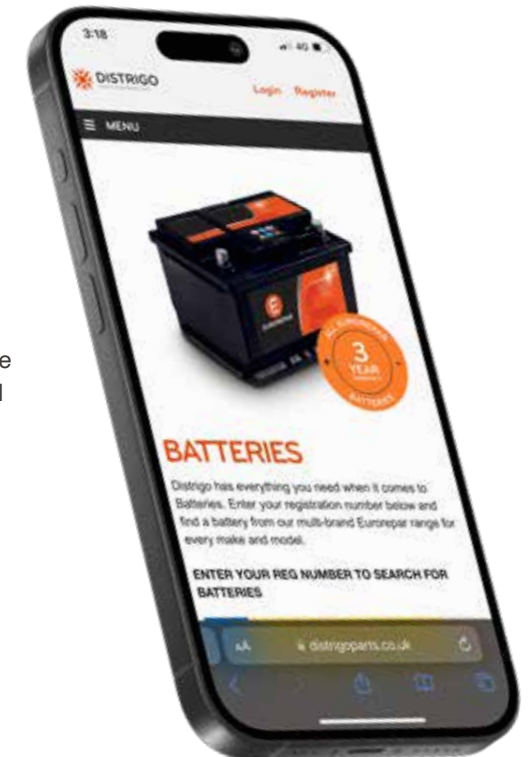

How does it work?

- Find the battery you need by entering the vehicle's registration or make and model
- Visit <https://distrigoparts.co.uk/batteries> or scan the QR code to start using

**SCAN HERE,
ENTER THE REG
AND FIND THE
RIGHT BATTERY**

HIGH QUALITY WIPER BLADES

Eurorepar's full range of wiper blades, encompassing traditional, flat, hybrid and rear blades, are manufactured from high quality rubber, ensuring a longer service life.

- Our range of Eurorepar Wiper Blades are designed to ensure maximum screen contact, offering excellent coverage
 - Each wiper blade has 3, 4 or 5 connectors depending on the model, a module and a hook to ensure adaptability to all vehicles
 - Robust structure with a metallic vertebra for ideal curvature, symmetrical spoiler for high speed wiping efficiency
- As flat blade wipers are becoming standard fit on new vehicles, the Eurorepar range is a convenient choice for your workshop, especially as they are suitable for all makes of vehicles.
- Graphite coated for extended life
 - Smooth & silent operation
 - Single units available

FULL RANGE OF  **BOSCH** WIPERS ALSO AVAILABLE

SCREENWASH

- Eurorepar screenwash has antifreeze properties down to -8°C
- Concentrated formula means that for summer use, a 5 litre can makes up to 50 litres of screenwash. Available in a range of sizes: 500ml, 1L, 5L and 25L
- Eurorepar extreme concentrate has antifreeze properties down to -20°C. Available in 5L
- Highly effective for removing typical dirt, oil, diesel soot, road salt, silicon and dust thrown up by braking
- Protects sensitive polycarbonate headlamp lenses, paintwork, plastic and rubber parts

ANTIFREEZE

- Meets BS6580 (1992), ASTM D 3306 & ASTM D 4985, protects to -37°C at 50:50 dilution
- Eurorepar 'Red' Antifreeze is available in a variety of handy workshop sizes, including 1L, 5L, 20L and 205L
- Incorporating the latest in Organic Acid Technology (OAT), Eurorepar 'Red' Antifreeze gives protection up to 5 years or 100,000 miles (whichever comes first), meets the latest engine requirements and nearly all manufacturers' approvals
- At a 33% mix, Antifreeze can prevent freezing down to -20°C

Don't settle for anything less. Eurorepar Antifreeze provides genuine quality and performance at competitive prices.

CHEMICALS

BRAKE CLEANER SPRAY CAN (1L BRASS HEAD)

LGBCON0243

- 1 litre industrial pump sprayer
- Suitable for various chemicals including detergents, solvents, brake cleaner and general cleaning agents
- Polythene body with pressure relief valve
- Includes adjustable brass spray head nozzle and Viton seals

BRAKE & CLUTCH CLEANER (5L)

LGBCON0002 (5L liquid)

LGBCON0001 (500ml aerosol)

- Specialised blend of powerful solvents
- High auto-ignition point
- Evaporates completely, leaving no residue
- Frees seized brakes
- Instantly removes oil, grease, brake fluid and other contaminants from brake drums, discs, linings, pads and cylinders

ADBLUE

LGBCON1484 (10L)

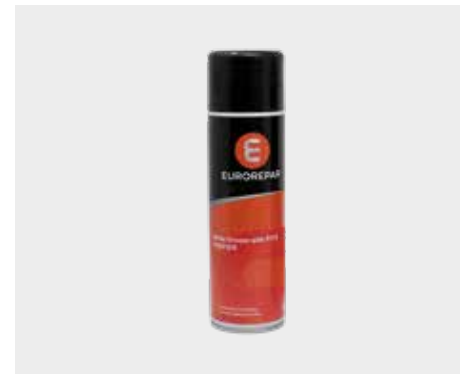

- Clear liquid solution of deionized water and automotive urea (32.5%), injected into the exhaust gasses of a diesel powered engine to reduce emission of nitrogen oxides (NOx) in combination with SCR (Selective Catalytic Reduction) technology.

PENETRATING OIL (400ML)

LGBCON0017

- Cleans and protects engines and body parts from grease, grime, oil and dirt
- Penetrates, displaces moisture and lubricates
- Protects metal surfaces with corrosion-resistant ingredient, to shield against moisture and prevent rust
- Lubricates to free stuck, frozen, corroded or rusted metal parts such as nuts, bolts, gears, bike chains, brakes etc.

WHITE GREASE WITH PTFE (500ML)

LGBCON0018

- Contains high viscosity lubricants and load bearing additives
- Seals metal parts, providing protection against wear, moisture and rust
- Provides long lasting protection
- Resists heat and salt

CLEANING/HYGIENE

ORANGE PUMICE HAND CLEANER

LGBCON0005	4L
LGBCON0561	4L DISPENSER
LGBCON0004	5L
LGBCON0559	5L DISPENSER
LGBCON0003	10L
LGBCON0554	10L DISPENSER

- The hand cleaner is supplied in a strong bespoke cartridge which neatly fits into a premium quality push button wall mounted dispenser. The dispenser has been designed to deliver measured shots to ensure only the required amount of product is dispensed for maximum cost efficiency. Dispenser is also supplied with screws and rawplugs so it can be mounted.

SEAT COVERS
