EUROREPAR

INTRODUCING EUROREPAR BUMPERS

The new Eurorepar Front and Rear Bumper range is available primarily for older vehicles (models out of production and over 5 years old), for popular Vauxhall, Peugeot, Citroën, Fiat and Jeep models.

Our bumpers provide over 100 references that match the original part in every respect. They undergo extensive testing to ensure a high standard of quality, safety and appearance. Plus, they are backed by a 2 year warranty.

Carefully designed to offer the same Eurorepar dual benefits of quality at affordable prices, this new range of bumpers will fit exactly as the original parts, saving time in the workshop. Plus, they comply with EU safety specifications for peace of mind all round.

We'll be extending our range of Eurorepar body parts further, so be sure to keep checking out the growing list of references in the coming months, at distrigoparts.co.uk
