GENUINE AND ALL MAKES PARTS FOR THE TRADE

EUROREPAR FRONT BRAKE PADS AND DISCS

WE MAKE IT OUR BUSINESS TO LOOK AFTER YOUR BUSINESS. FOR PARTS THAT PROTECT YOUR REPUTATION AND YOUR COSTS, YOU'RE BETTER OFF WITH EUROREPAR

Every day, up and down the country, we bring the parts that deliver quality and value to garages just like yours. Better still, every part comes with a 2-year warranty.

BRAKE DISCS

Made at ISO-certified production plants, all discs are tested for vibration, wear, and lifespan to guarantee safety and performance. Available as ventilated or solid discs, they come with bearings to make it easier to replace components without causing damage.

BRAKE PADS

Manufactured using approved materials, the pads are performance-tested between -30°C and +500°C to ensure safety for all conditions on the road. This renewed range includes an anti-noise system and optimised friction materials adapted to each individual vehicle.

YOU CAN EARN DISTRIGO PERKS POINTS ON ALL THESE PRODUCTS

YOU NEED IT? WE'VE GOT IT. EVERY PART. FOR EVERY CAR. EVERY TIME.

Eurorepar by Stellantis has you covered with a massive range of parts across key product families to cater for every job. From filtration, visibility and timing, to suspension, clutches and ignition, all the parts you need are just a phone call away.

Saving you up to 25% compared to Genuine OEM parts, Eurorepar offers the ultimate balance of affordability and quality. Plus, all parts come with a 2-year warranty (excluding tyres) and a 3-year warranty for batteries. With 1000s of references and over 90 Distributors nationwide, we're your one-stop shop for parts. Plus, you can earn rewards on all Eurorepar purchases (including collision parts) with DISTRIGO PERKS.

BATTERIES

Manufactured to meet OE specifications and covering 97% of European cars, Eurorepar batteries offer a long shelf and service life, fit first time and deliver reliable starting power in extreme weather. All batteries are fitted with handles and come with a 3-year warranty.

OIL

Eurorepar offers a full range of synthetic oils for use in almost all vehicles on the road. Tested to vehicle manufacturers' specifications, the synthetic oil's more constant molecular structure reduces friction between parts to ensure maximum engine efficiency and service life.
