GENUINE AND ALL MAKES PARTS FOR THE TRADE

EUROREPAR OIL & AIR FILTERS, DISTRIGO, OEM & EUROREPAR OIL

WE HAVE DECADES OF EXPERIENCE PROVIDING SENSIBLY PRICED, HIGH-QUALITY PARTS DESIGNED TO GIVE YOU THE EDGE.

As one of the biggest aftermarket suppliers in Europe, you can trust us for a reason – we get it! With a 2-year warranty on all our parts, give us a try and you'll never look back.

EUROREPAR OIL FILTERS

Our oil filters offer a robust build quality. With two options to choose from: 'cartridge' filter and crimped 'spin-on' filter, both technologies are adapted to the vehicle's maintenance schedule and use high-performance filter paper.

EUROREPAR AIR FILTERS

Committed to quality manufacture, Eurorepar air filters are adapted to the shape of the air box on each vehicle to guarantee a perfect, airtight seal. Plus, the filtration surface and the number of pleats ensure the purest air for improved combustion and increased service life.

EUROREPAR OIL

Eurorepar offers a full range of synthetic oils for use in almost all vehicles on the road. Tested to vehicle manufacturers' specifications, the oil's more constant molecular structure reduces friction between parts to ensure maximum engine efficiency and service life.

FIND THE OIL YOU NEED INSTANTLY

Our new online oil look-up tool easily enables you to pinpoint the exact oil you need, from our OEM Total and Petronas ranges. Search by model, make, year and engine code to find the appropriate oil for your customers' Stellantis vehicles.
