

Vauxhall Trade Club FE 5W-30

Fully synthetic engine oil recommended for modern Ford engines

Description:

Vauxhall Trade Club FE 5W-30 is a fully synthetic multigrade engine oil specially formulated to meet the superior performance and fuel efficiency requirements of modern engines requiring low viscosity oils. Enhanced oil flow and film strength give essential protection during start-up and advanced additive technology ensures maximum engine protection even under arduous conditions.

Features & Benefits:

- Fuel efficient multi grade
- Long drain intervals
- Excellent low temperature fluidity

Applications:

Vauxhall Trade Club 5W-30 FE is recommended for the majority of Ford petrol and diesel engines, including turbocharged, in passenger and light commercial vehicles. Also recommended where any of the following specifications and a 5W-30 viscosity grade are required.
